Capital	1	4 103 484
Original capital (Tier 1)	2	4 103 484
Paid up authorized capital incorporated in the trade register	3	769 004
Treasury stock	4	
Issue premium	5	411 545
General reserve and retained income	6	2 986 466
Required reserve	7	153 801
Other reserve from division of the profits	8	
Undivided profit from previous period	9	2 832 666
Profit for fiscal period after taxation	10	
Unrecovered loss from previous period	11	
Final exchange rate differences from consolidation	12	
Profit for common fiscal period	13	
Loss for common fiscal period	14	
Net profit for capitalization of future incomes from securing	15	
Profit/loss from evaluation of the liabilities in RH by virtue from credit risk	16	
Other exemptions from the original capital	17	-63 532
Goodwill	18	
Intangible asset other from goodwill	19	-63 532
Negative evaluation difference from the changes of RH capital instruments	20	0
Participating CP issued by the person with qualified share in the bank	21	
Additional capital (Tier 2)	22	0
Main additional capital - balance in covering ocular credit losses by IRB	23	
Side additional capital	24	0
Subordinate debt A	25	
Positive evaluation difference from changes RH realized stock and allotments certificates	26	
Exemptions from original and additional capital (Tier1+Tier2)	27	0
Capital investments above 10% to banks and other financial institutions	28	
Capital investments above 10 % to insurance companies	29	
Capital investments to 10 % to institutions and financial institutions	30	
Important prospective modifications by the market evaluation n. Evaluation model	31	
Exposure from securing with risk weight 1250%	32	
Absence in covering the expected credit losses by IRB	33	
Reinforcement of other than important prospective modifications above subordinate debt B	34	
Deduction by the free supplies	35	
Capital for covering the market risk (Tier 3)	36	0
Subordinate debt B	37	
Other than important prospective modifications by market evaluation or evaluation model	38
