The remuneration of PPF banka a.s. for administration of securities is calculated from the market value of the securities on the last day of the calendar month. For debt securities managed in a central repository CDCP is a reward for the administration calculated from the nominal value of securities on the ultima of the calendar month. The amounts of the stated remuneration of PPF banka a.s and the fees connected with the administration of securities do not include VAT, which will be added in the respective amount, if applied. \*) Is charged when a Trader does not procure a trade and/or does not administer securities for the customer simultaneously.

## 9.9. Common provisions and other conditions of capital and monetary market services

In respect of any product or service, the Bank reserves the right to charge a lower Remuneration than the Remuneration to which it would be entitled under the Pricelist of Services of PPF banka, a.s. or to waive the entitlement to Remuneration. The Remuneration of PPF banka a.s. for services or for procurement or mediation of trades in investment instruments not stated in this Pricelist is determined

The Remuneration of PPF banka a.s. for services or for procurement or mediation of trades in investment instruments not stated in this Pricelist is determined individually. The Bank informs customers of the possibility that in connection to investment services or transactions related to investment instruments, additional costs may arise for customers, including taxes which are not paid by the bank and are not charged to customers. The complete pricelists of services of BCPP, RMS, CDCP are available on the websites: www.pse.cz, www.rmsystem.cz, www.scp.cz and www.cdcp.cz.
